Blessed is the nation whose God is the

Psalm 33:12

**Sunday Night Video Series
Promised Land**

5 Lessons on Living for God Where Culture is Influenced

Just as the time and place of our birth and life shapes our journey, so the land and culture of the Hebrew people shaped their story. In this series, discover how God guided his people to a specific place - The Promised Land - to impact the world both in ancient times and today.

**Secona Music
Ministry**

As we think about our country and how God has blessed us, we need to continue to pray for our leaders and ask forgiveness for the sins of our nation. Reading in the Old Testament, it seems like we are like the Israelites, always falling away from God then begging for forgiveness!

It's summer and a great time to join the choir! We are having a great

time and are being blessed as we prepare each week for the worship services. A lot of great things are happening, so come join us each Wednesday at 7:15. Don't miss out on a blessing.
