Knowing Jesus & Making Jesus Known

The Herald

As this new year begins, let's spread kindness and the love of

Jesus to our friends and neighbors. On the bulletin board near the Sunday School office are various acts of kindness that can be removed from the board along with the postcard attached. You can share a message on the postcard to leave when you complete your act. This could include our service hours, a prayer or verse of Scripture, or a note of encouragement. There are extra acts of kindness and postcards in the pocket on the bulletin board.

If you have an act that isn't on one of the cards, please take a postcard and give it out at the time you do your act of kindness. You can also share your ideas with Kim Clevenger and she will add them to the board.

Let's cover Pickens with kindness in 2022!

Secona Music Ministry

What will you do in 22? All in!

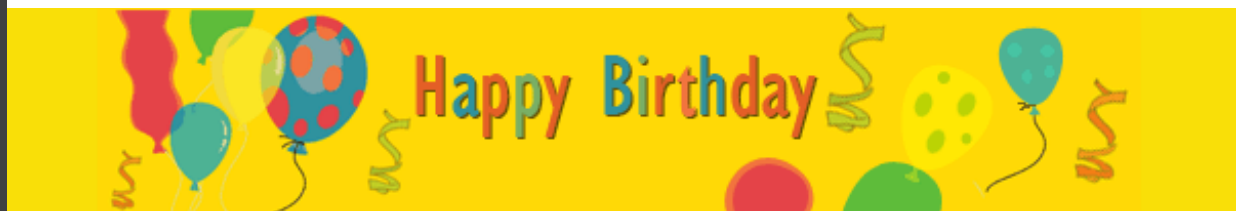

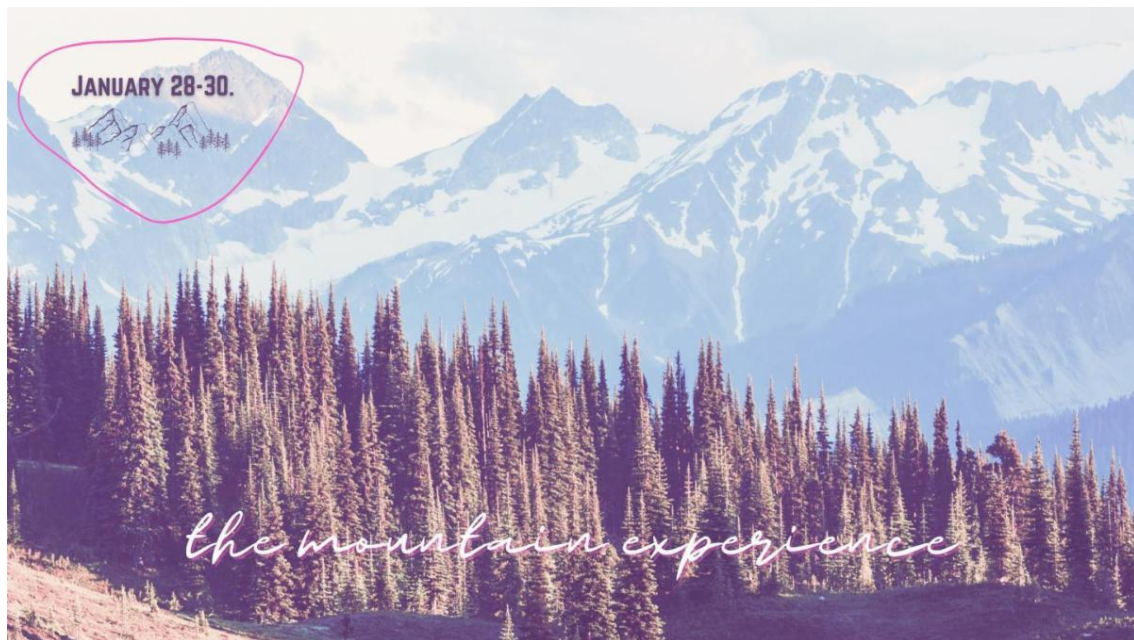

God wants you to use the talents you have for His glory. You may feel like your gift is nothing spectacular, but it is crucial to the fulfillment of God's plan. As we seek God, He will show us how to use our gifts in ways that will truly benefit others, and He will open the doors for us to do so. So, what will you do in 2022? Don't waste the talent God has given you! Music is a special gift! Join us as we lead in worship!
